MCMSM

PROFESSIONAL DESIGNATION PROGRAM

This unique and practical program provides hands-on training for insurance regulators and insurance industry professionals on how to conduct an effective and efficient market conduct examination. This advanced level training provides quality and meaningful credentials for seasoned market conduct personnel and others involved with market conduct examinations.

The MCM program covers the full spectrum of the market conduct process and provides valuable tools for examination management designed to achieve exam efficiencies. It is ideal for current and future examiners-in-charge and compliance personnel. MCM provides for an information exchange between professionals, advanced certification, and the ability to provide meaningful input for the advancement of professional standards and ethics in insurance regulation.

DESIGNATION

MCM Program participants that attend the program and successfully complete the certification examination on the last day of the program will earn the MCM designation.

PROGRAM MATERIALS

The MCM textbook will be e-mailed to participants once they have registered for the program. The textbook should be read prior to the start of the classroom instruction in preparation for the program.

PROGRAM LOCATION

MetLife
4000 Horizon Way
Irving, TX 75063

The registration fee covers the cost of the MCM textbook, the classroom materials, lunch on days 1 & 2, refreshment breaks, and the examination. Participants are on their own for breakfast and dinner.

Attire for the MCM Program is business casual.
